### Message from RI President

RI President Rtn Shekar & Rashi Mehta

Dear fellow Rotarians

This year, we note all the ways that we Serve to Change Lives. Service is the rent we pay for our time on earth, and we will expand Rotary service as we **"grow more and do more."** We will grow through **"Each One, Bring One."** If every Rotary member could bring just one more person to Rotary,

We will do more by putting a special emphasis on empowering girls, It is our attitude that defines service. We all have a great opportunity to lead by example and to inspire each other to participate in projects that have a measured and sustained impact. The District Board has had made a commitment to help grow Rotary, adapt to the digital future and make Rotary more appealing to younger generations.

Your good work will help us serve our communities and help Rotary thrive so we can Serve to Change Lives.

Kindest regards,  
**Shekar Mehta**  
Rotary International President, 2021-22

### Message from District Governor

RI Dist. 3190 Governor Rtn Fazal Mahmood

Dear Changemaker President,

Hearty Congratulations to you and your team of Club officers on assuming office to 'Serve to change Lives'. Sabiha joins me to wish you and all your members a glorious Rotary year 2021-22.

**'HOSA BELAKU'** - is a special project so dear to me. Under Hosa Belaku my dream is to implement projects encompassing all the 7 focus areas of Rotary with special emphasis on girl empowerment to help the underprivileged belonging to the rundown neighborhood in Namma Bengaluru.

**'SAHAYOGA'** is yet another programme that encourages your Rotary Club to partner with another Bangalore based Rotary Club to tie up with an outside Bangalore based Rotary Club to extend your helping hand to serve the local community. This I am sure yields enormous

Wishing you & all your members once again, a wonderful Rotary Year to "Serve to Change Lives"

Yours in Rotary Service,

## Top Contributor of the Month

Rtn Nagaraj GV handing over the cheque of Rs 60,000/- to Rtn Dr Manish

Here is a marvelous story of our Rtn Nagaraj GV's good Samaritan gesture who is also on the board of director as Club Treasurer. This is a medical case of a special Child by name Dhruvacharan Sai the poor child of 4.7 years who was deprived of hearing by birth. His parents tried all medical interventions & finally he underwent Cochlear implantation surgery during Jan 2020, under Govt Medical insurance scheme in a reputed Hospital in Bangalore, the surgery was done by non other than our own club's Rotarian Dr Manish, the surgery was successful and post which the child was leased with a new life and a new world where he could start hearing the sound and because he could start processing the sound, we was able to start practicing speech as well.

But again, the child had to experience another challenge since he had to experience another trauma. Unfortunately, the external hearing part of the cochlear implant had to be replaced since it got damaged, Our Doctor who gave the new lease of life with all his hard work & perseverance could not see his efforts go in vain, hence he tried all possible options to support the child again, he tried many options for the funding during which our treasurer, Rtn Nagaraj GV heard the call of help was kind enough to spontaneously offer the help. He & his family magnanimously came forward to donate the required fund of Rs 60,000/- to the good cause.

We are proud of Both the Donor & Facilitator for this marvelous gesture! the cheque was handed over & take over in the presence of our District officers, dignitaries & the people at large during the Club Officers installation ceremony on 3<sup>rd</sup> July 2021

**Thank You!**
